

Circular No.: IEX/MO/329/2019

Date: 14th July, 2019

Conduct of “LIVE” trading from Disaster Recovery Site (DRS) for one day on 17th of July 2019 for DAM and TAM segment.

Dear Members,

In pursuance of Rules, Bye-Laws and Business Rules of the Exchange, Members of the Exchange may kindly note the following:-

Exchange will be conducting “LIVE” trading and subsequent settlement process from its Disaster Recovery Site on Wednesday, 17th of July, 2019 for both DAM and TAM segments.

IEX has a well-defined Business Continuity Plan in place for handling any exigencies or interruptions at its primary site and has a well-established Disaster Recovery Site (DRS) to handle all ongoing functionalities like conducting live trading and settlement process from its DR site.

Accordingly, all members are hereby informed that on 17th of July, 2019 they will have to connect to the DR site through the link <https://drssl.iexindia.com>’ by using the **SSL login for trading purposes**. Members are required to note the following time lines for 17th of July, 2019:-

Market Segment	Market Time on 17/07/2019
Term Ahead Market	12.30 am to 11.00 pm
Day Ahead Market	10.00 am to 12.00 noon

On 17th July 2019, Members who will trade in TAM segment are requested to login (TWS/MAT) to the DR site at 12.30 am through their SSL login and Members trading in DAM segment are requested to login (TWS/MAT) early to the DR site preferably around 8.00 am through their SSL login to ensure that there is no connectivity and login related issues.

Trading from the DR site will be conducted for only one day i.e. for 17/07/19. Subsequently from 18/7/19 Members will have to connect to the Primary site by using the current link [‘https://trading.iexindia.com’](https://trading.iexindia.com). All Members are requested to login to their TWS/MAT early in the morning by using their existing SSL VPN or MPLS link as usual. The TAM segment will be available from 12.30 am on 18/7/2019.

----- Corporate office-----

Indian Energy Exchange Limited
Unit no.3,4,5 & 6, Fourth Floor, Plot No.7, TDI Center, District Center, Jasola, New Delhi 110 025
Phone: 011 - 4300 4000 | Fax: 011 - 4300 4015 | www.iexindia.com

Annexure I

LIVE Trading from DR site, below are the steps to login in SSL, Trading Application, SFTP and GST Portal.

A. DR SSL Login steps:

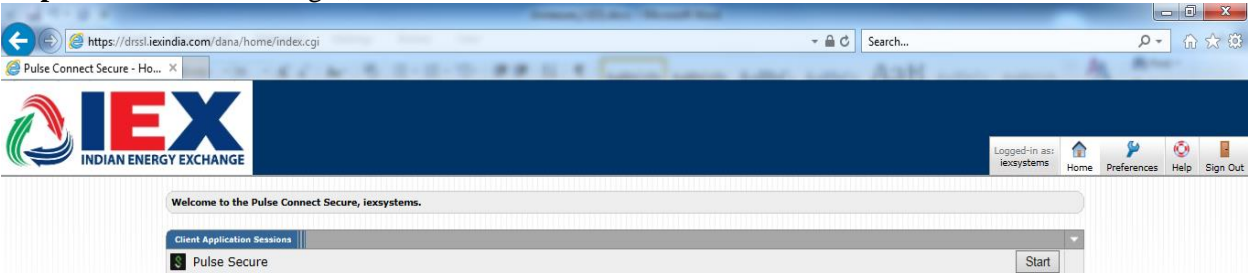

Step 1: Please open an Internet Explorer and type the '<https://drssl.ixindia.com/>' in address bar.

Step2: It will show below window, please enter existing 'SSL' User-id and password for login.

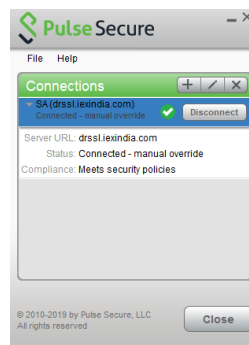

Step3: After successful login, it will show below window.

Step4: Please verify the connection in taskbar tab.

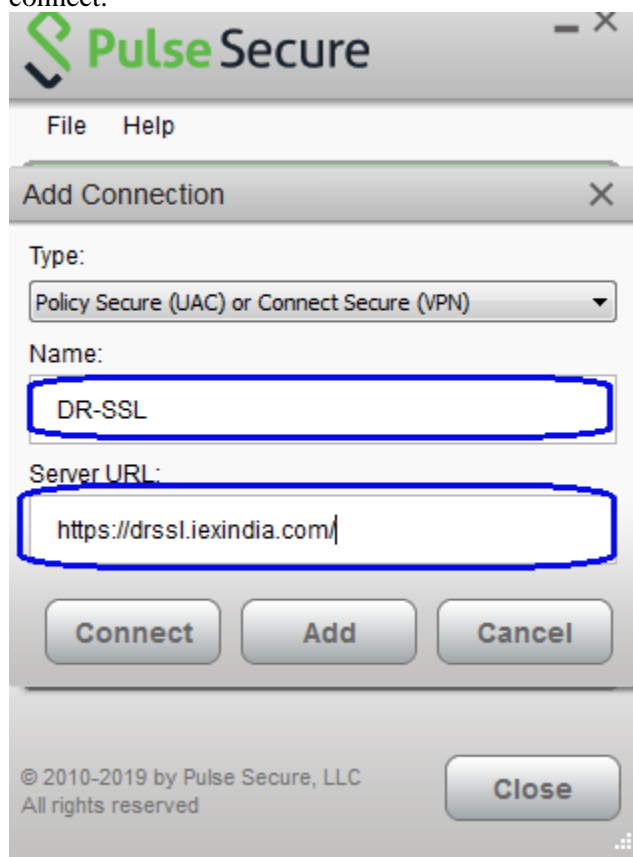

Member Can Also use Pulse Secure Client for connecting DR SSL site. Find below steps to add DR-SSL connection in Pulse Secure Client

Step1: Click start>All Programs>Pulse Secure> open Pulse Secure Client, it will open below screen.

Step2: Click  icon to add new connection, please add the required filed as shown in below snap and click connect.

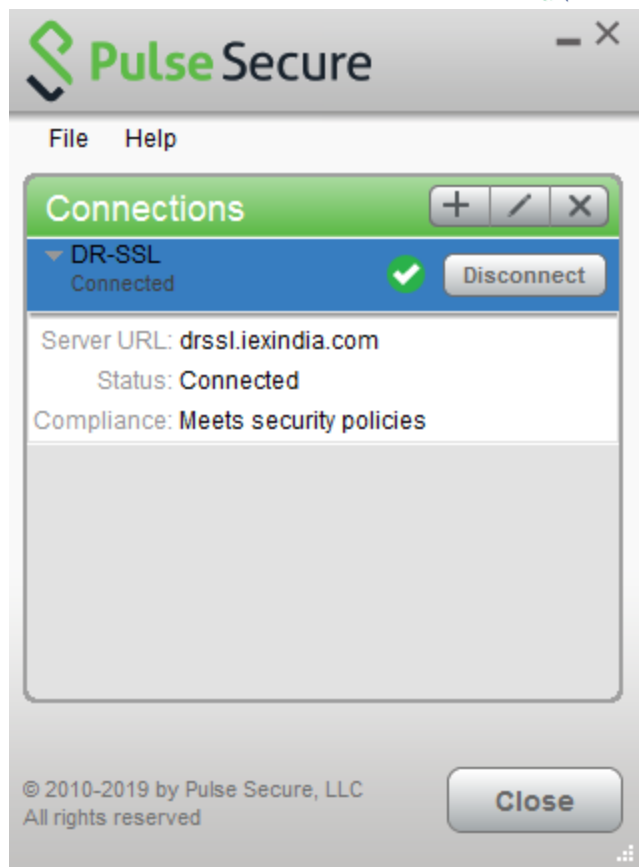

The screenshot shows the Pulse Secure application window with the 'Add Connection' dialog box open. The dialog box has a title bar with a close button. It contains the following fields and controls:

- Type:** A dropdown menu with the selected option 'Policy Secure (UAC) or Connect Secure (VPN)'.
- Name:** A text input field containing 'DR-SSL', which is highlighted with a blue rectangular border.
- Server URL:** A text input field containing 'https://drssl.iexindia.com|', which is also highlighted with a blue rectangular border.
- Buttons:** Three buttons labeled 'Connect', 'Add', and 'Cancel' are positioned at the bottom of the dialog box.
- Footer:** At the bottom left, it says '© 2010-2019 by Pulse Secure, LLC All rights reserved'. At the bottom right, there is a 'Close' button.

Step3: Please use existing SSL User-ID and password and click on connect tab.

A screenshot of a 'Pulse Secure' connection dialog box. The title bar at the top left shows the 'Pulse Secure' logo and text. Below the title bar, the text 'Connect to: DR-SSL' is displayed. There are two input fields: 'User Name:' with a single vertical bar cursor, and 'Password:'. Below the password field is a checkbox labeled 'Save settings'. At the bottom right, there are two buttons: 'Connect' and 'Cancel'.

Step4: Please verify the connection as shown in below snap.

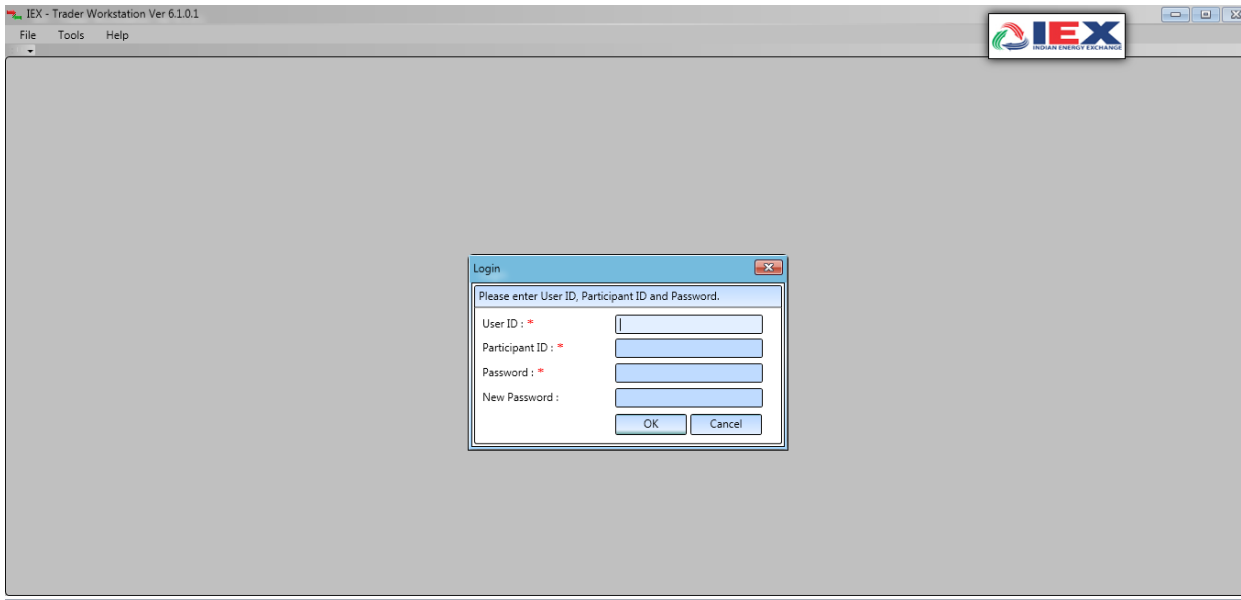

B. Trading Application Login steps:

Step1: After successful login in SSL, Please use existing User-ID and Password to connect TWS and MAT Applications.

Member will use existing TWS & MAT setup for logging in to IEX Market.
