

REC Trading Session: December 2017 IEX trades 32.39 Lac Non Solar RECs – A Record High

Highlights of the trading session held on 27th December, 2017:

Non-Solar REC	
Trade Volume	32,39,142
Sell Bid	70,27,931
Buy Bid	32,39,142
No. of Participants	704
Price (Rs./REC)	1500

A total of 32,39,142 Non-Solar RECs were traded in the REC trading session held on 27th December, 2017 at IEX. This is the highest ever trade of Non Solar REC in a session.

With Govt. of India – the Ministry of New and Renewable Energy and the Ministry of Power proactively pursuing RPO enforcement, the distribution companies have emerged as the major buyers in this trading session followed by the open access consumers.

The trade in this session saw an increase of 71% over November 2017 when 18,89,982 Non-Solar RECs were traded.

In FY 2017-18, April to December, IEX traded 66.77 lac Non-Solar RECs, representing an increase of almost 323% in comparison to same period in the previous fiscal when 15.78 lac Non-Solar RECs were traded.

In April'17 Honorable Supreme Court stayed trading in both Solar and Non-Solar RECs. The Stay was vacated for Non-Solar REC and trading started in July'17, whereas the Solar REC trading continues to be under Stay.

Participants:

A total of 704 participants traded in non-solar segment. Overall, a total of 3,554 participants are registered in the REC segment at IEX. About IEX

IEX is the first and largest power exchange in India. Providing an automated trading platform for physical delivery of electricity, IEX enables efficient price discovery and offers participants the opportunity to trade in electricity contracts, Renewable Energy Certificates (RECs) and ESCerts (Energy Saving Certificates). The exchange platform increases the accessibility and transparency of the power market in India and enhances the speed and efficiency of trade execution. In August 2016, the Exchange received three ISO Certifications - ISO 9001:2008 for quality management, ISO 27001:2013 for Information security management and ISO 14001:2004 for environment management. IEX is approved and regulated by Central Electricity Regulatory Commission (CERC) and has been operating since 27 June, 2008. The Exchange is now a publicly listed company with NSE and BSE.
