A total of 701 participants traded in non-solar segment. Overall, a total of 3,557 participants are registered in the REC segment at IEX. Of this, 855 are Eligible Entities (RE Generators) 2,682 are Obligated Entities (DISCOMs, Open Access Consumers & Captive Generators) and 20 are registered as Voluntary Entities.

About IEX

IEX is the first and largest power exchange in India. Providing an automated trading platform for physical delivery of electricity, IEX enables efficient price discovery and offers participants the opportunity to trade in electricity contracts, Renewable Energy Certificates (RECs) and ESCerts (Energy Saving Certificates). The exchange platform increases the accessibility and transparency of the power market in India and enhances the speed and efficiency of trade execution. In August 2016, the Exchange received three ISO Certifications - ISO 9001:2008 for quality management, ISO 27001:2013 for Information security management and ISO 14001:2004 for environment management. IEX is approved and regulated by Central Electricity Regulatory Commission (CERC) and has been operating since 27 June, 2008. For further details, log on to: www.iexindia.com
