Stage set for Aug 10: Clarity likely on Cong leadership muddle

ADITI PHADNIS
New Delhi, 4 August

Interim Congress President Sonia Gandhi is out of hospital and on Rahul Gandhi's direction, the party's media spokesman Randeep Singh Surjewala told squabbling colleagues to stop it immediately. But there's no direct word from the top leadership about putting an end to the war of words in the Congress that continues to rage over why the party is where it is and who should be held accountable. The current battle is seen as setting the stage for August 10 when Sonia completes one year of interim presidentship, and questions are being raised about a leadership vacuum. For the first time, responsible quarters are suggesting that as Sonia cannot function as interim president indefinitely and Rahul seems to want power but not the responsibility, one way out is collective leadership.

"In the Congress, we have collective leadership in practice. Now it might be time to institutionalise it," said a top source in the party.

Those with proximity to Rahul are hoping he will change his mind and assume presidentship of the party — this means their position in the Congress apparatus will be secure.

"The generational clash is exaggerated. It is mostly people who have individual problems with one another," said the source. The issue erupted last week at a meeting of Rajya Sabha Members of Parliament (MPs) called by Sonia. A routine review meeting saw her in the vortex of a heated debate that touched on policy issues as well as personalities. And it shows no sign of ending.

At this meeting, several MPs, including Rajiv Satav and K C Venugopal, thought to be loyal to Rahul held the United Progressive Alliance (UPA) years responsible for the decline in the Congress' fortunes. By implication, this meant criticism of former prime minister Manmohan Singh's government and its policies. Several leaders came out in public to say that while they respected Singh, they had a view that needed to be taken into account.

Sushmita Dev, chief of the women's wing of the Congress, the Mahila Congress, said the Congress was a democ-

The current battle is seen as setting the stage for August 10 when Sonia Gandhi completes one year of interim presidentship, and questions are being raised about a leadership vacuum. For the first time, responsible quarters are suggesting that as Sonia Gandhi cannot function as interim president indefinitely and Rahul seems to want power but not the responsibility, one way out is collective leadership

racy and leaders had a right to say what they wanted to on an internal forum. The other side reacted instantly.

Congress leader and lawmaker Manish Tewari said: "The Bharatiya Janata Party (BJP) was out of office for 10 years (from 2004 to 2014). Not once did it blame Atal Bihari Vajpayee or his government for its predicament then. In the Congress, unfortunately, some ill-informed Congressmen would rather take swipes at the Manmohan Singh-led UPA government than fight the National Democratic Alliance (NDA)/BJP. When unity is required, they divide."

Milind Deora, a junior minister in the UPA, said: "When demitting office in 2014, Singh said: 'History will be kinder to me'. Could he ever have imagined that some from his own party would dismiss his years of service to the nation and seek to destroy his legacy — that too, in his presence?"

Chief ministers of the party, who hold the real power, are keeping absolutely quiet. Bhupesh Baghel (Chhattisgarh), Captain Amarinder Singh (Punjab), and Ashok Gehlot (Rajasthan) have stayed out of the whole controversy.

The debate inside the party is not just on its current predicament, it is also on who the primary enemy of the party is. Several leaders have advised Rahul that equivalence with Narendra Modi is a mistake as Modi's popularity is at its peak. Instead the Congress should find blindspots within the BJP and the NDA government — there are plenty — and focus on those. These leaders include R P N Singh, Jairam Ramesh and others. However, there is no evidence that Rahul is taking this advice.

August 10 will bring some clarity on the leadership muddle in the party. The party constitution vests the Congress Working Committee with the authority to appoint someone who can run the organisation when faced with a crisis — a decision that has to be ratified by the All India Congress Committee (AICC). However, an AICC session might not be possible in the midst of a pandemic. Therefore, collective leadership might be the only answer. But no one knows what shape this will take: an advisory committee, an executive group or some other body.

Till then, Congressmen want to be seen and heard.

Pak unveils new map, India calls it political absurdity

In a provocative move, Pakistan on Tuesday unveiled its "new political map" showing the entire Jammu & Kashmir and parts of Gujarat as its territories, drawing the ire of India, which dismissed it as "ridiculous assertions" that have "neither legal validity nor international credibility".

"We have seen a so-called 'political map' of Pakistan that has been released by Prime Minister Imran Khan. This is an exercise in political absurdity, laying

untenable claims to territories in the Indian State of Gujarat and our Union Territories of Jammu & Kashmir and of Ladakh," the Ministry of External Affairs said in a brief statement in New Delhi.

"These ridiculous assertions have neither legal validity nor international credibility. In fact, this new effort only confirms reality of Pakistan's obsession with territorial aggrandisement supported by cross-border terrorism," it said.

Earlier, Prime Minister Khan released

the new political map of Pakistan and said it was approved by the federal Cabinet on Tuesday. The new map showed Pakistan frontier clearly marked with India with the entire Kashmir as its territory. However, the part of Kashmir and Ladakh border with China was not marked and described as "Frontier Undecided".

Similarly, the Line of Control had been extended to the Karakoram Pass, clearing showing Siachen as part of Pakistan.

Growth recovery...

India has witnessed record procurement and production of food grains as rabi crop harvesting gets over and kharif sowing begins. "Urban India and the world at large, however, continue to fight the growing menace of the pandemic, simultaneously on the health and economic front," the report said.

According to the EcoScope report by Motilal Oswal Financial Services Ltd (MOFSL) released on Tuesday, India's gross domestic product (GDP) is estimated to have contracted 5 per cent in July from a

year ago, after falling 18-20 per cent in the first quarter of 2020-21. MOFSL expects a decline of 2-3 per cent in GDP in the second quarter before showing growth.

Besides, the IHS Markit manufacturing purchasing managers' index (PMI) fell to 46 in July, down from 47.2 in June as regional lockdowns hit the sector. On the other hand, the yearly SBI Composite Index, which touched its lowest level of 35.9 in June, rose to 46 in July. While the monthly index had reached the lowest level of 24.0 in April, it improved to 40.5 in July. Last month, credit rating agency ICRA had sharply revised its forecast for the contraction in the Indian economy to 9.5 per cent for 2020-21 from its earlier assessment of 5 per cent. It attributed the

revision to the rising Covid-19 infections resulting in a spate of localised lockdowns in some states and cities, arresting the nascent recovery that had set in during May-June.

Under Puri, the bank's net profit has grown from ₹80 lakh in FY95 to ₹26,257 crore in FY20. For the first quarter of this financial year, profit was ₹6,658 crore.

Its market capitalisation was ₹805 crore in the first quarter of 2020-21.

Besides, the processes are set in such a way that it would take several quarters before Jagdishan's imprint can be seen on the bank, insiders say. In the latest annual meeting, Puri assured investors that the new successor would be an old hand with more than 25 years of experience in the bank. He said there was no need to be concerned about training and business understanding of the candidate, because he has "learnt very well". While several of the senior management team recently left the bank, analysts pointed out that had always been the case with the organisation.
